

Cub Scout Pack 110 and Boy Scout Troop 110 Need Your Help!

Our Cub Scout Pack and Boy Scout Troops are active and growing! We help support the communities of Sabattus and Wales through efforts such as “Scouting for Food” where we collect food for area needy families, “Leave No Trace” where we collect roadside trash, by creating and maintaining the flower planter at the Sabattus Town Hall and cleaning the cemetery next to the Bull Run Road in Wales.

Most importantly, we develop Boys and Young Men. Scouting enables boys to experience the world around them in ways they may not otherwise have the opportunity to do by camping, hiking, canoeing and other outdoor activities. As we strive to improve our Scouting program, we have identified a need to better store and transport equipment to various Scouting activities.

We have found a gently used and well maintained utility trailer that is ideal for our purposes. We are looking for the support of areas businesses and organizations to help us purchase this trailer. **With your donation of \$100 or more, we will prominently place your company name and / or logo on the trailer. Your business’ support for Scouting will be visible and appreciated wherever we travel with this new trailer.**

Please call 513-1122 or e-mail me at: cubmaster@mainepack110.org for more information. Thank you in advance for your support.
